## Descriptions & Circulation

### **The Leaflet Newsletter - In Print**

MNLA's official member newsletter. Includes horticultural industry news, profiles of member companies, overview of horticultural products, and relevant Association information. Audience is landscape contractors and designers, garden centers, nursery and greenhouse growers, irrigation contractors and arborists. The newsletter is also published online with each issue. Access is made available to all MNLA members. You can add a hotlink to your website from the online edition for added reach and convenient accessibility. Online editions are archived so members can refer to past issues. The Leaflet is an excellent way to target your ad dollars directly to your customers. Black, white, or grayscale advertisements only. Generally 20-24 pages, 8 1/2" x 11" format. Mailed to approximately 250-300 MNLA member companies.

### **The Leaflet Newsletter - Advertorial**

An Advertorial is not an ad placement. Advertorial content should be written in the style of an article, and ideally will include real-life scenarios or case studies to demonstrate effectiveness. Submission includes text document (600-1,300 words) and images. Images should show product being used as intended. Ideas and solutions within the advertorial must be presented clearly without using advertising language. Advertorial copy must not imply that The Leaflet newsletter endorses the advertiser's organization, nor the content presented. Labeling as "Advertorial" will follow the Federal Trade Commission's guidelines and be done in close proximity to the ad. Must also purchase minimum half-page ad for issue in which advertorial will be printed. Advertorial spaces available in each issue of the Leaflet Newsletter. 8 1/2" x 11" format. Mailed to approximately 250-300 MNLA member companies.

### **Montana Green Expo Brochure**

Generally 8 to 12 pages, 8 1/2" x 11" format. Contains highlights of upcoming EXPO. Used as promo piece to ~600 horticultural contacts in northwestern U.S. Black, white, or grayscale advertisements only.

### **Montana Green Expo Program**

Generally ~16 pages, 8 1/2" x 11" format. Contains complete details, schedule, speaker biographies, and registration information for MNLA's Montana Green Expo. Program is two color cover, B&W content. Black, white, or grayscale advertisements only. Distributed to ~200-250 EXPO attendees.

### **Membership Directory & Buyer's Guide**

Generally 50 to 70 pages, 8 1/2" x 11" format, spiral bound. Covers are two color, inside pages are black ink on white text. Accepts only black, white, or grayscale advertisements. Includes comprehensive membership listings for all current MNLA members, contact information for industry resources and agencies, product information for members, information on Association products and advertising. Free to members; sold to non-members (\$25). Circulation is to MNLA members, allied associations and agencies. Approximately 250-300.
