

2022 MNLA

FALL TOUR

September 15-16, 2022 • Helena, Montana

September 15 - CPP Exam, Cornhole Tournament & Kick-Off Dinner

- Certified Plant Professional Exam - 1:00 pm at Gardenwerks, 3225 Cooney Dr., Helena
- Cornhole Tournament - 2:00 pm at Gardenwerks, 3225 Cooney Dr., Helena
 - Come have fun & show off your backyard game skills!
 - Cost: \$25 per person or \$45 per team.
- Kick-off Dinner - 5:00 pm at Gardenwerks, 3225 Cooney Dr., Helena

September 16 - TOUR SITES WILL INCLUDE:

Flower Farm at Gardenwerks - We will tour the Flower Farm during Thursday evening's Kick-off Dinner. From the months of May through September they offer unique, seasonal flowers using 75 fresh cut flower varieties that are grown on-site, using sustainable farm practices. They have designed a successful CSA (Community Supported Agriculture) program, where participants receive hand-cut and tied floral arrangements throughout the growing season.

2M Company - Did anyone say breakfast? 2M will be providing food-truck-style breakfast for all Tour attendees, while we take a walking tour of their newest branch location. They are a leading wholesale supplier of products and materials for today's water industry, including water well, turf/landscaping, wastewater, water treatment, and irrigation.

Montana Heritage Center - Future home of the Montana Historical Society, the Center was designed to be a world-class destination, gathering place, and a space to tell the stories of Montana and all our people. We will be given a hard-hat tour of the site, located on the Capitol campus, where the landscape architect will join us to give a presentation on the design inspiration for the landscaping surrounding the Center.

Mark's Lumber - A wholesale supplier of colored and natural landscape mulch, playground material, firewood, and building materials, Mark's Lumber sources their product from right here in Montana. They recently upgraded their mill, and will give us a glimpse into their production process - from raw lumber to finished product.

Thank you to our Tour Hosts and Planning Committee - Gardenwerks, 2M Company, Mark's Lumber, High Country Growers, Chadwick Nursery, Greenup, Montana Historical Society, Montana Native Plant Society.

REGISTRATION FORM - 2022 FALL TOUR

REFUND POLICY

We understand that plans change. If you need to cancel your registration contact the MNLA office before August 31, 2022 to receive a full refund. Refunds will not be made for cancellations after that date.

Chadwick Nursery - At Chadwick Nursery, they love plants and they love their work! Their fruit tree testing has even led to the discovery of the Chadwick pear and many more Helena plants that have since been brought into nursery production. Family owned and operated, they have been serving their community for over 38 years, and will continue their tradition of service by providing lunch for the group while we tour their retail nursery.

6th Ward Garden Park - The Garden Park is a 1.1-acre city park, and also Montana's first public edible landscape. In addition to an edible garden and community garden plots, the park features water wise, pollinator, medicinal, and native plant gardens. The Montana Native Plant Society will join us on this tour to discuss the Native Plant Display and Learning Center.

High Country Growers - This family owned and operated nursery has 31 greenhouses (that equates to nearly 2.5 acres!), a 5,400 square foot retail garden center, as well as outdoor growing areas. Using their unique growing system, they turn their total greenhouse production space into approximately 10+ acres, making them Montana's largest wholesale grower. We will learn how they do it!

PLUS: Residential landscape sites by **Greenup Lawn, Landscape & Sprinklers**, and **Gardenwerks**.

Payment is due at time of registration, Thank you!

Register online at: www.plantingmontana.com/Fall-Tour, or send this completed form with payment (checks payable to MNLA) to:
PO Box 20353, Billings, MT 59104-0353 or by fax to 406.633.2032
