

## On the Ground Maintenance

Let's Get to Know...

Matthew Robichaud and Michelle Ratliff, of On the Ground Maintenance. Founded in 2016 in the Gallatin Valley, their motto is "Getting the Little Things Done!". They specialize in providing personalized service with a small crew of two. Both are certified Urban Integrated Pest Management professionals, and provide residential clients with site-specific basic gardening and maintenance, delivery and installation of plants and mulch, debris hauling, and handyman services.
